Ministry Update

June 2008

- **Christian-Based Women's Home** – We are excited as we embark on this new outreach to develop a transitional women's home in the Prescott, Arizona area. It will have a long-term program to help women overcome addictions, life-long struggles, homelessness, re-entry into society from prison, etc. We are seeking "seed" money to help get this home open and operating. We are also seeking the donation of a home for this purpose.
- **Website** – You can make your donations online through our website. Also, if you would like more biblical insights throughout the month, sign up on our website for our *free* "Nuggets of Wisdom" emails.
- **Book** – Our workbook *R.A.D.I.C.A.L. Breakthroughs To Abundant Living* helps anyone stuck in any type of problem to see from a biblical viewpoint how to overcome their problems. This 272 page workbook was written by our President, Kathy Williamson. It is available for \$17 in either 3-ring binder format or PDF format. A corresponding 66-page Scriptures package is also contained with this offer.
- **International Outreach** – We are ministering to people in over 15 countries outside the U.S. through our online "Nuggets of Wisdom" emails.
